Anthem

Hymn CH4 544 When I needed a neighbour

When I needed a neighbour
Were you there, were you there?
When I needed a neighbour, were you there?
And the creed and the colour
And the name won't matter
Were you there?

I was hungry and thirsty
Were you there, were you there?
I was hungry and thirsty, were you there?
And the creed

I was cold, I was naked
Were you there, were you there?
I was cold, I was naked, were you there?
And the creed

When I needed a shelter
Were you there, were you there?
When I needed a shelter were you there?
And the creed

When I needed a healer
Were you there, were you there?
When I needed a healer, were you there?
And the creed

Wherever you travel
I'll be there, I'll be there
Wherever you travel, I'll be there
And the creed and the colour
And the name won't matter
I'll be there
